

MARRIAGE WORKSHEET *License is valid ONLY in the State of Nebraska*

Effective May 1, 2019, the State of Nebraska Vital Statistics office requires an amendment for any correction to a marriage license after it has been finalized in their database. What does this mean to you? Any errors that you find on your license after it has been filed with the State will require you to file an amendment with the State of Nebraska's Department of Health and Human Services with a fee of \$16. In addition you will need to pay \$16 for a new certified copy with the corrected information. Please make sure that you review the information on your marriage license and that the information you provided is correct before leaving this office.
